

REMARKS

Claims 20, 21, 23-34 are presently in the application. Claims 1-19, 22 and 35-38 have been canceled. Claims 26, 28, 29 and 31-34 have been withdrawn from consideration as being drawn to a nonelected species.

In the Advisory Action mailed on October 31, 2008, the examiner indicated that the amendment filed on October 10, 2008 would be entered for purposes of appeal and that claims 20, 21 and 23-34 would be allowed. Since an appeal has not been filed, it is understood that the amendment filed on October 10, 2008 has not been clerically entered. Thus, please ignore the amendment filed on October 10, 2008.

The present amendment again presents claims 20 and 23 rewritten in independent form and, in addition, cancels claim 38 and claims 35 and 36, dependent on claim 38. Thus, the only claims remaining in the application are the claims which were indicated to be allowable in the Advisory Action of October 31, 2008. The entry of the amendment and the allowance of claims 20, 21 and 23-34 are respectfully requested.

Respectfully submitted,

Ronald E. Greigg
